

OUR MISSION: 'WE BELIEVE IN THE POWER OF EDUCATION TO INSPIRE, TO ENABLE AND TO ENRICH EVERY LIFE'

At CORE Education Trust, our curriculum is guided by our values of:

COLLABORATION OPPORTUNITY RESPECT EXCELLENCE

All of our students will have access to a challenging curriculum that develops the powerful knowledge and skills to which they are all entitled in order to lead successful lives and make a positive contribution to their communities.

1. The highest expectations will be maintained for all students so they can access our rich curriculum and experience high success rates.

2. Co-construction of our subject curricula across the CORE family will ensure excellence through collaboration.

3. Our broad and deep curricula will ensure our students make rapid progress by knowing more, remembering more and doing more.

4. Substantive and disciplinary knowledge that are required in each subject, in each year, will be clearly sequenced, progressive and link to domain specific concepts.

5. Our curricula will be agile and responsive informed by assessment to address gaps and misconceptions.

6. Our expert practitioners will be continually invested in to further develop our curricula.

7. Our curriculum will have effective transition points informed by prior and future learning to empower students to have the highest aspirations.

8. Reading, writing and oracy skills will be recognised as integral to students' success and opportunities to develop these skills will be integrated across all subjects.

9. Our curricula will be underpinned with rich cultural experiences and opportunities that anchor learning, curiosity and prepare students for life.

10. Our curriculum and opportunities will ensure students understand, accept, respect and celebrate diversity.
