

25th June 2024

Dear Parents and Carers

So many times in my teaching career friends and relatives have said to me “you must be slowing down in school now it is nearly summer?” to which I always respond with a sigh. School never slows down, it always feels like we are going at full speed until the last minute of the last day of term!

It is starting to heat up (finally!) and often students ask about removing blazers. If temperatures become too hot we will inform pupils about measures we will take to keep cool. However, for now full uniform must be worn at all times around the building. If a particular classroom is too hot, the teacher will give pupils permission to remove blazers.

Sports Day: Friday 5th July 2024

The annual Sports Day is upon us and is being well-organised by Miss Priest and the PE department. On this day, all pupils can wear PE kit. This is a very important day as it is vital that all young people learn the value of taking up a sporting discipline both for their own physical and also mental health.

Year 10 Mock Exams

These are coming to a close this week in an end to the long summer exam season. I would like to congratulate all of Year 10 who have approached their mocks with great diligence and sets a solid foundation now for their important 12 months ahead.

Reminder: Key Dates this Half-Term

There are key events for all parents and carers to be aware of including:

- Year 6 into Year 7 Transition Parents Evening (Tuesday 2nd July)
- Year 6 into 7 Transition Day (Wednesday 3rd July)
- Residential Trip to Kingswood *Now open to Year 8 and 9, not just Year 7* 10th to 12th July 2024

Thank you for your continued support.

Yours sincerely

Mr R Reeve
