

Homework Principles:

The purpose of homework is to support long term retention of knowledge and understanding.

- Homework should focus on the core knowledge that we have taught all students.
- Be an opportunity for retrieval practice of taught content.
- Be an opportunity of extended practice for taught content.
- Homework should be accessible to all students to avoid creating learning gaps.

Key stage 3

Year 7- 9

| Subject | No of Lessons per week | How often is homework set? |
|--------------------|------------------------|----------------------------|
| English | 4 | Weekly |
| Maths | 4 | Weekly |
| Science | 4 | Weekly |
