12<sup>th</sup> December 2024

Dear Parent/Carer

Please join us at our **Winter Showcase Concert on Thursday 19<sup>th</sup> December 2024 5:30pm to 7:00pm.**

At Rockwood Academy we celebrate Music and Drama in our curriculum but are also able to offer students private lessons in over ten instruments and work with Birmingham Hippodrome's education team to offer drama workshops. We have over one hundred students engaged in these programmes.

To showcase the amazing talent we have at the school, we wish to invite you to our Winter Showcase. The evening will consist of student performances, both musical and dramatic pieces, and promises to be a great show. We will also have a short interval with tea, coffee and treats.

This evening starts promptly at 5:30pm. The school gates will open at 5:15pm. Unfortunately, due to the nature of the event we will not be able to admit late arrivals to the concert.

Tickets to the event are £2 and can be bought through Parent Pay. We would love to see you and your family at our celebration of talent.

Thank you for your continued support.
