

### Summer Exam Planning and Preparation

It is important that we continue to support our students throughout their exam series. We need to support each other and ensure that everyone is in the right place, doing the right thing, at the right time.

**Breakfast Intervention:** Students will be arriving at school for breakfast intervention from 7:45am. There will be breakfast for them in the canteen for them to collect on their way to intervention. All breakfast intervention will be on top floor. Students will be registering in reception with SL7/HOY

**Pd 3 Intervention:** These sessions will take place in subject areas or the hall where appropriate.

**Afterschool Intervention:** These sessions will take place in subject areas or the hall where appropriate.

**Online Sessions:** Please refer to the WTD online sessions. The essential points are that the session should be recorded, student cameras and mics should be turned off, and that students should join the session with their school email address.

**Finished Subjects:** Students will be attending their timetabled lessons when not in an exam unless specified otherwise. They have been told to be prepared to revise in subjects that have completed their exams. Students have been told they will not be allowed to visit subject teachers to collect revision resources if they are not prepared.

**We wish our Y11 students the best of luck in their exams.**
